

The Science of the Great Spirit Moon

Session with RunningHorse Livingston,
Founder and CEO of Mathematize, Inc.

Saturday, January 26th

9AM - 2PM, lunch provided

Northern Great Lakes Visitor Center

This educator enrichment opportunity is free and open to all!
Sponsored by Earth Partnership and Bad River/Red Cliff
Indigenous Arts and Sciences.

We are excited to offer this engaging session for teachers to explore seasonal events of the Bad River and Red Cliff Ojibwe!

The time of the Great Spirit moon is when many things rest and renew for the moon of the Boiling Sap (April). This is a time of sharing stories and enjoying outdoor games that demand precision and skill. Participants will examine the tradition of storytelling by listening to and sharing their own stories. Participants will also compete in several traditional games to test their finesse and dexterity.

Please bring attire that is appropriate for being outdoors!

**REGISTRATION
REQUIRED by
Wednesday, 1/23**

Register by contacting IAS
Coordinator Lori Lemieux at:
IAS@badriver-nsn.gov

Earth Partnership is a program of the UW-Madison Department of Planning and Landscape Architecture.

Funding for this IAS learning opportunity in partnership with the Bad River and Red Cliff Bands is provided by the National Oceanic and Atmospheric Administration (NOAA) and the National Science Foundation (NSF).
